### **INCOME SURVEY**

The Town is conducting a resident income survey to help qualify the Town for possible water improvement project grant funding. If you received a survey in the mail, please take a moment and complete the information and return it using the self-addressed stamped envelope. It is very important that we get as many responses returned as possible. All of the information you are providing is strictly confidential and will only be used for the grant qualification purpose.

Thank you for your assistance!

### **PUBLIC SAFETY STAFF TIPS**

- Stay at home whenever possible and don't drive unless it is necessary
- Practice proper Social Distancing standards (6 feet apart) at all times
- Exercise alone or with family members only
- Observe the 25-mph speed limit on all Town streets and roads
- No parking on any Town street or road
- Stay informed from official sources
- **If you need emergency help, call 911**

### **INFORMATION SESSIONS**

Every Wednesday in the month of April at 3:00 pm, a livestream information update will be available on the Town YouTube Channel (link is below). Catch us live or tune in later and watch the video.
